

Resilience, Mental Health, and radicalisation prevention

(RE-MAP) 2023–2025

OBJECTIVE

The aim of RE-MAP project is to prevent radicalization by strengthening communities' resilience, and mental health skills and by developing a training course for professionals.

The project is funded by EU ISF – Internal Security Fund 2023–2025.

PROJECT GOALS

- Development and implementation of a community mentoring model.
- Increasing the knowledge of practitioners working in radicalization prevention.
- Strengthening and maintaining cooperation nationally and internationally.
- Mapping support for victims/survivors of terrorism.
